

ACCURA LOUNG CHAIR

## PT. HORESTCO

Horestco is a primary manufacturer of residential furniture and commercial-grade hospitality furniture. A young but reputable company with a team that has many years of first-hand experience in the furniture manufacturing and hospitality industry. Over the past six years since our foundation, we have furnished numerous private homes, hotels, resorts, restaurants, condominiums and other commercial spaces in over twenty countries. Our standard furniture product line includes restaurant furniture, bedroom furniture, living room furniture, dining room furniture and outdoor furniture. Using only the most durable, eco-friendly, tested and proven high quality materials and crafted by expert craftsmen, our products can compete with the best in class.

## MEHFIL CHAIR WITH MEHFIL DINING TABLE

Our Mehfil tables - (mehfil means "a gathering to entertain") are great for large gatherings. Made of solid single plank Suar / Iron Wood top with a variety of bases. Centre of attraction in any dining area and a constant topic of conversation and admiration. Each table is unique and exhibit naturally occurring knots, graining, splitting and mineral deposits that add character to each piece.
